

# HANOVER PEDIATRIC ASSOCIATES, P.C.

## FINANCIAL POLICY

Thank you for choosing us as your pediatricians. We are committed to the health, welfare and successful treatment of every child in our practice. Please understand that payment for services rendered is considered part of your treatment. We make every effort to control our costs and ask that you cooperate with us in that effort.

The adult accompanying a minor is responsible for full payment of the copay, if applicable, and full payment for services rendered if there is no billable insurance at the time service is rendered, regardless of legal settlements or court orders directed toward the parents of the child seeking treatment. The practice accepts cash, checks, Visa and Mastercard.

The following is a list of the insurance companies that we participate with and will automatically bill for you:

- Keystone Health Plan Central                      Highmark Blue Shield                      Cigna

Although we participate with these companies, it is **your responsibility** to know what is covered by your policy.

**CO-PAYS** are due at the time services are rendered regardless of who accompanies the patient.

Payment of any balance after your insurance has paid is **due upon receipt of our statement.**

Fee information is available upon request. Please call the Business Office at 632-8944 with any questions you may have regarding our financial policy.
